GOOD CONDUCT AND ACADEMIC CERTIFICATION

I understand that if I have experienced disciplinary problems at another educational institution or with other authorities (not including minor traffic violations), I must state the circumstances on a separate sheet and submit it with this application. I understand that this information will not necessarily exclude me from admission and will be handled confidentially. I authorize the college to obtain any of my Florida public school records and test scores. I agree to the release of any transcripts and test scores to this institution, including score reports that may be requested from the College Board or ACT. I certify that all statements given in this application are true and accurate to the best of my knowledge. I agree to abide by the Academic Honesty policy and all other rules and regulations of Broward College, and the School Board of Broward County's Code of Student Conduct. I also understand that I must maintain a 2.5 college grade point average to remain at the College Academy.

PARENT CONSENT

I have read the College Academy/Dual Enrollment information, been advised of the procedures involved in entering the program, and completely approve of my dependent's participation. I further understand that College Academy/Dual Enrollment students must meet and maintain academic requirements for Broward College and all Broward County School Board Policies. Since Broward College, and therefore College Academy, is a public space and open access campus (open to the general public), the Jessica Lunsford* rules that exist for traditional public schools cannot apply for College Academy.

* Jessica Lunsford Act obliges all personnel who are in contact with students to undergo a state and national fingerprint-based criminal history check.
